## OSLO

In how many ways can you read OSLO in the diagram, using adjacent letters (vertically, horizontally, or diagonally)? Any O can be the first and the last letter of the same OSLO.

$$
\begin{array}{lllllll} 
& & & O & & & \\
& & O & L & O & & \\
& O & L & S & L & O & \\
& \text { L } & \text { S } & \text { O } & \text { S } & \text { L } & \text { O } \\
& \text { O } & \text { L } & \text { S } & \text { L } & \text { O } & \\
& & O & L & O & & \\
& & & O & & &
\end{array}
$$
