# Golf Shot

In this difficult shot, you must tee off from one of the tees labeled 1, 2, 3, 4, 5, 6, or 7. Assume that each bounce will be true.
You must determine the specific spot along one of the walls so that you will make a hole-in-one.

Hole

1 2 3 4 5 6 7

Tee

Please give the following information:

Tee #:

Slope:
(Slope of the line from the tee to the point on the right or left wall where you must hit the ball)

Number of Bounces:
