

Books of the Bible – Answer Key

The following article contains the names of all the books of the Bible hidden within the words. See if you can find them all! I once made a **remark** about the hidden books of the Bible. It was a **lulu**, **kept** some people **looking** so hard for **facts**. And for others it was a **revelation**. Some were in a **jam**. Especially since the names of the books were not capitalized. But the **truth** finally struck home to **numbers** of readers. To others, it was a real **job**. We want it to be a **most** fascinating few moments to you. Do these while you're watching TV, sitting on the **john**, eating **tuna**, **humming** your favorite reggae tune -- a **song of Sol**, "O Mon, I believe you!"

Yes, **there** will be some really easy ones to spot. Others may require **judges** to help them. I will quickly admit **it** usually takes a minister to find one of them, and there will be loud **lamentations** when it is found. A little lady says **she brews** a cup of tea so she can concentrate better. There are **those** among us who might need music - a **banjo**, **electric** guitar, or drums! See how well you can **compete**. Relax now, listen to Phil Collins and his band **Genesis** on the radio, or play your **banjo**! **Nah**, just concentrate on the task at hand. Find them all and be a **pro**! **Verbs** and subjects don't always agree in this article, but don't let that stand in your way!

I even asked for help from my **ex**. "**O, Du!**" she said. I replied, "**Corinth**, I answer your questions," but she just said, "Come back at **Ramadan**." I eloquently thanked her. Frustrated, she said, "This puzzle **is a ... I.. ah..** I don't find these **EZ**. **Ek!** I elect not to do them! **Josh**, **u** are no fun!" I just replied, "O Bad! I ... ah ... am really sorry!" I thought about offering her a **juju** decoration or perhaps **alms**, but decided not to pursue it. This just about **chronicles** our relationship.

So, I reached out to my brother and sister-in-law, Tim and Elsa Mueller. After finding Deuteronomy and Nehemiah, she said, “Tim, O thy good husband, thou art so helpful!” To Elsa, an antique bibliophile, money was no object, so she took time off from work and asked a fellow bookseller for help. But the bookseller was a typical academic – a harebrained idiot! – and she never got back to Elsa. Elsa muttered, “What a hag Gail is!” She is definitely not normal – a Chicago native, I think!

Some of the hardest books to hide were Leviticus, Ecclesiastes, Jeremiah, Habakkuk, Zephaniah, Zechariah, Galatians, Ephesians, Philippians, and Colossians. Remember that ten of the names are duplicated like First and Second Thessalonians, so you will only find fifty-six distinct names.

This puzzle is not EZ - rather, it is quite difficult. It would be simpler if the books were in a list that you could pick from. Answers can be anywhere in this article, so that makes this format the worst! Good luck and God bless!
