

## Eating on the Job

by Raymond D. Love  
GAMES Magazine

If a bowler's dinner is spare ribs and a jockey's condiment is horseradish, can you match up the occupations and categories below (1 – 26) with the appropriate food choice (a – z)?

- |                                |                            |
