

Secret Service Code Names for U.S. Presidents and their Families

The United States Secret Service uses code names for U.S. presidents, first ladies, and other members of their families. The Secret Service does not choose these names, however. The White House Communications Agency assigns them. Traditionally, all family members' code names start with the same letter.

Can you match the code names with the corresponding presidential family member?

- | | |
|-----------------|---------------------------|
| 1. Dancer | A. George H. W. Bush |
